DAY 2 – SPLIT – OMIŠ – PUČIŠĆA (BRAČ ISLAND)

SUNDAY, 12 JULY 2020

A local **guide** will do the morning **Split City tour** and walk us through the historical Diocletian's Palace.

The second largest urban centre in Croatia and the seat of the Split- Dalmatia County, Split boasts 1700 years of history. Since 1979 the historic centre of Split has been inscribed on the UNESCO World Heritage Site List. City's historical and cultural buildings are located inside the walls of the Diocletian's Palace.

At 12:00 we'll start our cruise to Omiš. An ancient town with city walls, fortresses and stone churches, Omiš is located at the delta of Cetina River with its wonderful beaches. For centuries, Omiš was for a stronghold of famous pirates, a symbol of retaliation, courage and strength in the long historical fight against The Republic of Venice.

Lunch will be served on board while we continue our cruise across the Brač Channel, all the way to Pučišća, the biggest village on the island of Brač. Nowhere in the system of towns and villages in Dalmatia does terrain play such a compelling role as in Pučišća. Its spectacular irregularity of steep-sided natural harbour, authentic Mediterranean architecture and rustic ambience are simply unforgettable. The fjord-like inlet of Pučišća meets three narrow valleys that descend from the hills, joining the bay's quiet and beautiful waters. *Pučišća quarry was exploited by Romans in the antiquity, after which it was abandoned until the reopening in 1455. Stone from Pučišća quarry was used to build limestone columns of the White House in Washington DC, Vienna Parliament and many other famous buildings around the world.*

Pučišća is also home to the only Croatian Stonemasonry School. Its students carve sculptures from Brač limestone, applying traditional and unconventional tools that have been used here for centuries.

We will spend a night in this very quiet town. Enjoy the nightfall, as it unifies the distinct features of Pučišća that have intrigued us so much in daylight.

Overnight in Pučišća.

SERVICES INCLUDED: Breakfast and lunch, Split city tour with guide

DAY 3 – PUČIŠĆA – BOL – HVAR

MONDAY, 13 JULY 2020

We will start our day with a morning departure towards Bol known for having one of the finest European beaches, called **Zlatni Rat (Golden Cape)**. As we stop in Bol, you can relax in this charming Dalmatian town. Have a walk, a cup of coffee or a swim, until lunch is served on board. After lunch we shall continue cruising along many idyllic coves and bays towards Hvar, the sunniest Croatian island. *Hvar is one of the most popular and attractive Croatian tourist destinations and a meeting point of the international jet set.*

Upon your evening arrival in Hvar, a local **guide** will walk you through the town, introducing you to the island's way of life, its rich history and culture. You will learn how lavender was traditionally farmed on Hvar, for many centuries.

Afterwards, you will be free to enjoy your evening in Hvar to explore and dine in one of its numerous family owned restaurants or taverns.

DAY 4 – HVAR – BIŠEVO BLUE CAVE – VIS

TUESDAY, 14 JULY 2020

We will start our day with a morning cruise towards Island of **Biševo and its Blue Cave**. Originally, the entrance to Blue Cave was located below sea level, which required visitors to dive deeply in order to resurface into the cave's mysterious blue depths. Sunbeams penetrating through the cave's submarine opening get reflected from the white bottom floor, colouring the cave aquamarine and objects in the water silver, creating a truly stunning and magical natural phenomenon.

However, sometimes high waves prevent the entrance to Blue Cave, which is something we shall not know before the morning designated for our visit.

Afterwards we will dock in Vis and have lunch.

Vis is truly unique in comparison to other Adriatic islands. *Due to its strategic location on the open sea it served as a military zone for a long time, for which reason it was untouched by the usual tourist development. Beautiful beaches, unspoilt nature, ecological agriculture and preserved traditional architecture make up the advantages of this unique Croatian island.*

You will have evening free in Vis, to explore and dine in one of its family run taverns.

Overnight in Vis Town.

SERVICES INCLUDED: Breakfast and lunch, entrance to Blue Cave

WEDNESDAY, 15 JULY 2020

You will have the rest of the evening free, to enjoy dining at one of the local restaurants of your choice.
